SEASIDE RESORT · 84 ROOMS · SPA · THREE RESTAURANTS

Azure Point Resort & Spa

A quiet curve of coast on Halcyon Cove, where the pool meets the sea and every evening ends on the water.

HALCYON COVE · 22 MINUTES FROM THE AIRPORT

WELCOME

Where the road ends and the water begins

Azure Point opened in 2011 on a headland that fishermen once used to dry their nets. We kept the low white buildings, planted the palms and left the best views to the guests.

Today it is a resort of 84 rooms and suites, a spa, three restaurants and two pools, run by a team in which many of us have worked for ten years or more. We look after the details so that your days can be unhurried.

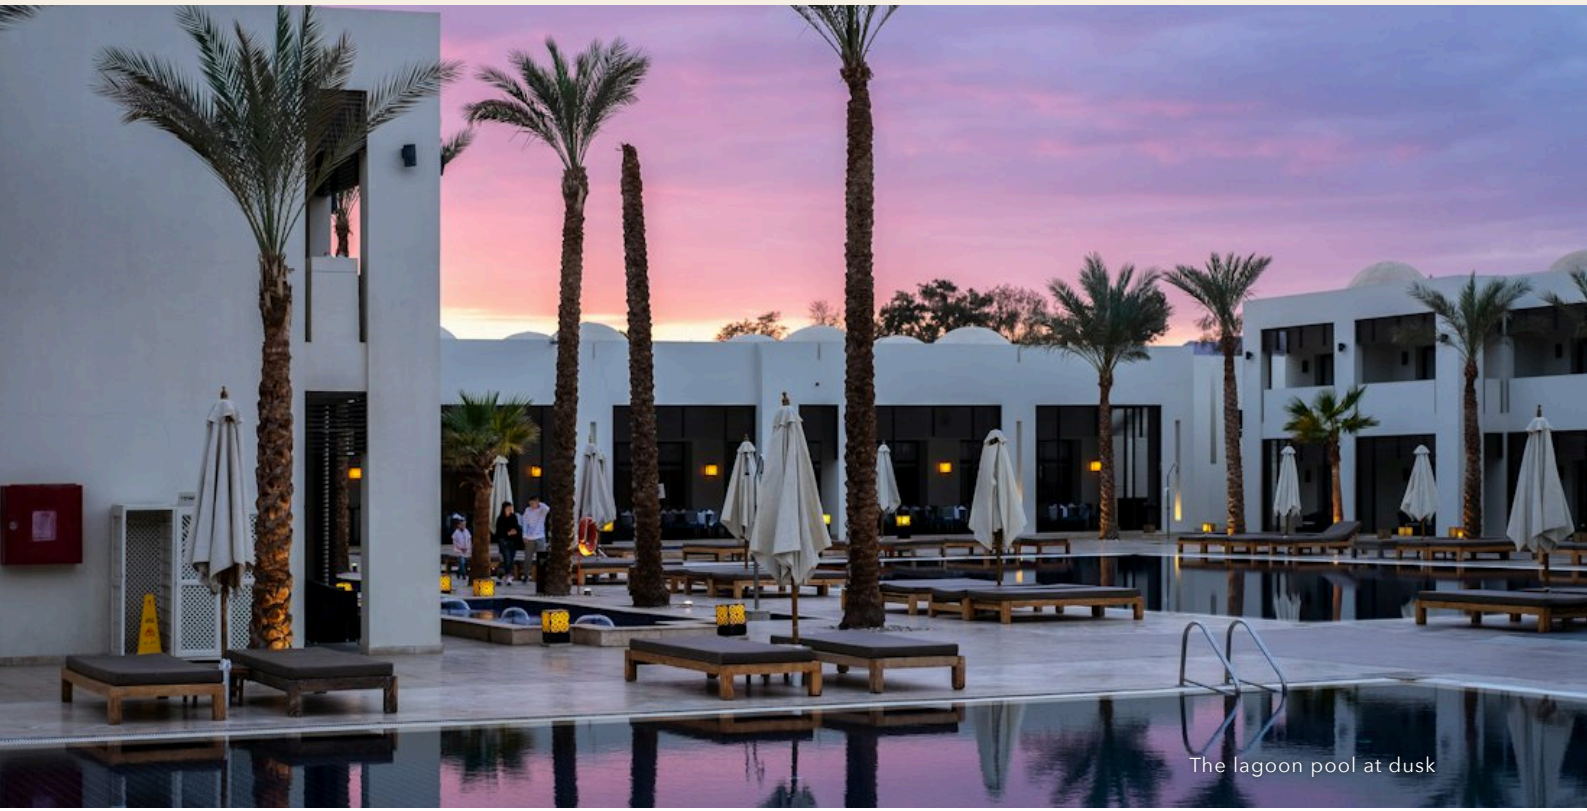

This brochure is a guide to the rooms, the spa, the table, the season's offers and how to find us. Everything in it can be booked directly with us, and the best rates are always on our own website.
